# DANIEL BUTLER

## FULL STACK DEVELOPER & CPA

## EXPERIENCE

### THE CORE GROUP

#### ACCOUNTING SYSTEMS DEVELOPER (2018-TODAY)

Responsible for innovations in the Accounting Department.

- Developed, Refined, and Implemented Connect System  
More details: [daniel-butler.com/platforms/connect/](http://daniel-butler.com/platforms/connect/)
- Constantly innovated Accounting team's practices that contributed to reduced head count and days to close while improving accuracy.
- Developed numerous green field projects that benefited HR, Sales Admins, Operations and Accounting Staff  
More details: [daniel-butler.com/projects/](http://daniel-butler.com/projects/)
- Rolled Out, Upgraded, and Migrated the ERP and Related Ecosystem relied on by the entire organization

#### ACCOUNTING SUPERVISOR (2015-2018)

Responsible for managing Accounts Payable, Accounts Receivable, and Staff Accountants to produce financial statements for the Controller to review.

- Manage an Accounting Department that grew from 4 people into 13 people during the company's merger and subsequent acquisitions.
- Created five standard journal entry macro excel spreadsheets that save 40 hours per month.
- Selected and trained alongside the VP of Finance in DocuPhase (paperless accounting and business process software)

#### STAFF ACCOUNTANT (2013-2015)

Responsible for monthly journal entries, Balance Sheet reconciliation and preparation of the Trial Balance. Managed Fuel Cards, Corporate Cards and Accounts Payable.

- Created Corporate and Manager Level Travel Reports from raw data, display weekend and weekly market travel. Flag individuals in violation of policy and outside of corporate footprint in excel.
- Managed Corporate Credit Cards \$1MM yearly spend and managed Corporate Fleet Cards \$600k yearly spend until Hopco was purchased.
- Analyzed, negotiated and implemented selection of office supply vendor resulting in a yearly decrease of \$2k per year on \$70k spend
